REQUEST FOR RECONSIDERATION

In response to the advisory action dated September 3, 2003, Applicant requests reconsideration of the Examiner's refusal to enter the amendments proposed in the response mailed on July 29, 2003.

The Examiner states that the amendments do not comply with 37 CFR 1.121 because the text of claims 2-54 was not included in the listing of claims.

In response, Applicant draws attention to the preliminary amendment filed with this application, in which these claims were cancelled. The new rule requires that text be included for withdrawn claims but that it be excluded for cancelled claims. Since claims 2-54 were cancelled and not withdrawn, the amendment complies with the new rule.

As agreed to in the interview of July 28, the proposed amendment overcomes the section 112 rejection. Accordingly, that amendment will reduce the issues on appeal to just the section 101 rejection. Applicant therefore requests that these amendments be entered.
